

Changing Policy

Royal Ascot Cricket Club

These guidelines apply to adults, and children, sharing changing facilities. The following best practice principles are adopted:

- Adults must not change, or shower, at the same time using the same facility as children
- Adults should try to change at separate times to children during matches, for example when children are padding up
- If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club
- If children play for Open Age teams, they, and their parents, must be informed of the club's policy on changing arrangements
- Mixed gender teams must have access to separate male and female changing rooms
- Mobile phones must not be used in changing rooms
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. They may change and shower at home.
